WHO WE ARE

Community Living Trent Highlands works to bring people living with a developmental disability and their communities together to the benefit of both. We are a charitable, not-for-profit organization serving the City of Kawartha Lakes, Haliburton County, and Peterborough and area.

We strongly believe that people with a developmental disability should be able to live a life of purpose, with access to supports - both formal and informal - that promote their contributions to and participation in the community and society.
